EPISODE NINE

ER. The Elimination Round should be reconstructed. 5 of 7 questions are directly related to English speaking countries. Austria and our beloved mammal are the only exceptions to this rule.

BTB9. WHAT FLUID CONTAINS RED CELLS, PLASMA AN PLATELETS?

FOOD NO! PEPPERONI is wrong, the discription for KEBAB is not precise enough and SMORGASBROD we had the week before

INDUSTRY 2) should become 1) and 1) become 2)

SPORTS1! painful inflammation of a TENDON (LANGUAGE? MONITOR!)

HEALTH3 ...to shape the WORDS you make.

SCIENCE 3 last week?

FILM TITLES 1, 2 as already indicated, filmtitles are often not literally translated in a foreign language. Therefore the typ of questions as in 1. and 2. may give a considerable advandatage to people who saw or know the original version of the films
